

THE WHITE ROCK ULTIMATE BLOW DRY ... that lasts

At White Rock Hairdressing the latest salon treatment gives you beautiful, frizz free, manageable hair - eliminating bad hair days for up to 2 - 4 months depending on your hair type.

This puts you in control, allowing you the ability to easily recreate salon style blow-dries with ultimate shine, at home.

The time needed to style your hair at home will be reduced dramatically - in some cases wash and go, and for others effortless blow-drying and minimal styling. Depending on your hair type, the treatment also helps to weatherproof your hair, protecting it from the effects of damp and humidity.

The treatment can be used on every hair type including chemically treated hair. Hair looks shiny and youthful resembling the healthy hair of a young child.

Why wait, call White Rock Hairdressing on **01706 829898** and book yourself in for the Perfect Treatment today.

**Prices include specialist after-care shampoo and conditioner worth £30.
Treatment costs £150**
